The 30 Unique Learning Features that Make Learning Inescapable

1. Every word is divided into syllables: win·dow 23
2. Every silent letter is italicized: sub*b*·*po*e·na 23

3. Every phonic to be learned is bolded and colored: rain	23
4. All the practice lessons are in a large font size: rain , main , cam· paign	23
5. 100 spelling rules	23
6. Grouping of words that share similar sounds and spelling patterns	23
7. Every vowel is dissected and isolated in a book	24
8. Each vowel sound is isolated in a section	24
9. The five sounds of A are spelled in 12 ways	24
10. Example of a section in the book	24
11. Every spelling pattern of each sound of a vowel is isolated in a chapter	24
12. Every spelling pattern of a sound is explained and justified by a spelling rule	24
13. Nearly all the words that share a phonic and follow a specific rule are listed	24
14. Most of the words on the list are used in a nonsensical story like this	24
15. There is, at least, one illustration taken from the story, like these two	25
16. Comparisons as in plain and plane	26
17. The eight inconsistent consonants c, g, h, q, s, x, w, and y are isolated in a book	26
18. The Students Reading Aloud Approach	26
19. The Reading Slowly Approach	26
20. New concepts are introduced	26
21. Diagnosing the problem with English spelling	27
22. Preventing or ending dyslexia	27
23. The only comprehensive phonics program	27
24. The 26 English letters should have been 206 letters	28
25. Nearly all the prefixes in 900 words	28
26. Nearly all the silent letters are isolated in a chapter	28
27. Nearly all the compound & hyphenated words isolated in a book	28
28. The order of introducing each phonic in <i>Read Instantly</i>	28
29. Dissecting English sounds, letters & words	29
30. A combination of formulas in one program makes learning inescapable	30

6**How to Explain This Learning Methodology to Students?**

- Simple direct instructions before each lesson 51
- Grouping of words of similar sound and spelling pattern 51

• Pay attention to students with a logical learning style	51
• Disallow speed-reading before learning to spell	51
• Vowels rule English and they cannot be avoided	51
• Do not force learning and do not stop too long for every detail	51
• Explain gradually the symbols and concepts used and as needed	52
• Insist on students reading aloud	52
• The Understanding before Memorization Approach	52
• The Students Reading Aloud Slowly Approach	52
• Why reading slowly?	52
• Do not force speed-reading	53
• Understanding is not enough without practice lessons	53
• Spelling a word without guessing	53
• Students need to take all the time needed to spell a word	53
• Simple equation: relaxing + understanding + reading aloud →memory	53
• What is dyslexia in spelling?	53
• Why can't we spell?	54
• Inform students with spelling difficulties that they are not alone	54
• Raise Students' Self-esteem	54
• Logical learners cannot focus on more than one thing at a time	54
• Characteristics shared by dyslexic persons	54
